

webinar

(web • uh • nahr) *Noun.* Short for web-based seminar. A presentation, lecture, or seminar that is transmitted over the web. A key feature of a webinar is its interactive elements – the ability to give, receive and discuss information. (from webopedia.com)

If you would like additional information on any of these topics, please contact your local Extension office, or go online to www.extension.org.

HORIZONS
COMMUNITY LEADERSHIP TO REDUCE POVERTY

Funding provided by:  Northwest Area Foundation

The Horizons program is hosting a webinar series on a variety of topics designed to assist in helping rural communities move from poverty to prosperity. Anyone can participate in one or all of the webinars from a personal computer.
